Dear Dr. Clarke:-

I should like formally to request of you, as Superintendent of the Hospital and as Dean of the Medical Faculty, leave from duty while the present pressure lasts, both as to Hospital and as to University. Lt.-Col. J. T. Fotheringham,
Exhibition Camp,
Toronto.

Dear Colonel Fotheringham:

I am just completing arrangements for a dinner next Tuesday evening at 8 o'clock in the University Dining Hall for the graduates and undergraduates of the University who are in the Second Contingent. I hope that you will be able to be present that evening. Will you let me have the names of any officers who have been working directly with you, graduates of the University, whose names might otherwise be overlooked? Perhaps you will be good enough to let them know they will be welcome. We cannot send individual invitations, as we have no way of reaching all the men.

With kind regards, I am,

Yours sincerely,

President.
